- (1) The animal health officer or an assistant animal health officer shall place the horse's name on the bleeder list or the furosemide list, or on both lists.

#### Article 11.—eSCRATCH GENERIC GAME RULES

- **111-11-1. Definitions.** (a) The following definitions apply to the Kansas lottery eScratch game, along with all definitions contained in the Kansas lottery act (K.S.A. 74-8701 et seq.) and amendments thereto, and in lottery regulations adopted pursuant to the Kansas lottery act, which are hereby incorporated by reference.
- (b) "eScratch game" or "game" means an online lottery game in which a player purchases one or more tickets in one-dollar increments and selects from the denomination of play(s) available for that game. Denominations of play may be \$.10, \$.50, or \$1.00, or in such other amounts as set by rules for each eScratch game. In return for paying the appropriate amount, the player receives a randomly computer-generated ticket containing the corresponding number of reveals selected from a set pool of reveals established by the rules for each eScratch game. Each ticket holder whose valid ticket includes a winning combination shall be instantly entitled to a prize if the ticket and, if applicable, a valid claim form are submitted within the specified time period. In addition, until such time as a ticket is validated or win-checked, all prize(s) won on a ticket, if any, shall be capable of being revealed by entering certain information onto an Internet web site and playing a variety of computer-generated games. The prize(s) to which an eScratch ticket is entitled shall be determined at the time of purchase, and shall not be dependent upon revealing the prize(s) by playing the internet game(s), whether in whole or in part.
- (c) "eScratch ticket retailer" or "retailer" means a person or business authorized by the Lottery to sell eScratch game tickets.

- (d) "eScratch lottery terminal" or "terminal" means the computer hardware by which an eScratch ticket retailer or player enters the combination selected by the player and by which eScratch tickets are generated and claims are validated.
- (e) "eScratch ticket" or "ticket" means a computer-generated ticket issued by an eScratch ticket terminal to a player containing the selections and plays purchased by the player. That ticket shall be the only acceptable evidence of the selections and play purchased.
  - (f) Prize tiers:
- (1) "high-tier prize" means an eScratch ticket game prize of not less than \$600;
- (2) "low-tier prize" means an eScratch ticket game prize of less than \$600.
- (g) "Validation" means the process of determining whether an eScratch ticket presented for payment is a winning ticket.
- (h) "Ticket holder" or "holder" means the person who has possession of an unsigned eScratch ticket or the person whose written name, signature or mark appears on the back of the ticket.
- (i) "Executive director" means the executive director of the Kansas lottery or the person designated by the executive director.
- (j) "Reveal" or "play" means each individual computer-generated animation or other graphic displayed by the eScratch internet site to the player indicating the win(s) or loss(es) to which each eScratch ticket is entitled.
- (k) "Pool" means each set of reveals that contains a predetermined number of winning and losing reveals, and the value of each such reveal, as determined by the rules for each eScratch game. Each eScratch game may contain multiple numbers of pools.
- (l) "Problem ticket" means any eScratch ticket erroneously produced either by terminal malfunction or by miscommunication between a player and a retailer.
- (m) "Receptacle" or "drum" means a container in which non-winning tickets or entry forms are placed and from which drawings are made. Receptacles or drums may be sealable and drums shall be capable of being mixed or rotated for the purpose of ensuring random distribution.
- (n) "Day," "business day," or "operations day," when referring to an eScratch game, means the 20-hour period starting at 5:00 a.m. and ending at 1:00 a.m., the following day, unless specified otherwise in individual game rules.
- (o) "Win-check" means the act of electronically determining whether an eScratch ticket is entitled to win a prize by scanning the eScratch ticket on a retailer lottery terminal or on a player-activated device provided for said purpose, but without validating the ticket. (Authorized by and implementing K.S.A. 74-8710; effective, T-111-5-21-04, April 22, 2004; amended, T-111-7-2-04, June 17, 2004.)
